Dear Ms. Best:

On 2 November 2018, the office of the Information and Privacy Coordinator received your 2 November 2018 Freedom of Information Act request for the following records as we have interrupted: **records reflecting exchanges (either inquiries from or responses back) between the CIA and the Entertainment Industry in response to any of the story suggestions that we have put out as part of the “Now Playing” section of the CIA public website.**

Our officers will review your request and will advise you should they encounter any problems or if they cannot begin the search without additional information or clarification. We have assigned your request the reference number above. Please use this number when corresponding so that we can identify it easily. We will search for CIA-produced records up to and including the date the Agency starts its search. In accordance with our regulations, as a matter of administrative discretion, the Agency has waived the fees for this request.

Sincerely,

A handwritten signature in black ink, appearing to read "Allison Fong".

Information and Privacy Coordinator
